INDEX

The names of contributors are printed in CAPITALS; subjects are printed in ordinary type; and titles of books reviewed (all listed under "BOOKS REVIEWED") are given within quotation marks. Those whose portraits appear are grouped under the word "Portraits," and since the portraits do not carry page numbers, their position is indicated by giving the month in which they appear.

Americanized, The Commercial Course Needs to be, 98.

BARNES, C. C.—What Shall Young Americans Know of the History of Our World?, 262.
